*"Stelter & Brinck's technicians are not only experts, but are backed by S&B's world-class engineering department. This combination makes for combustion services that are unrivaled."*

*-Randy Corns, 3-Sigma*

*"S&B's service technicians are professional, knowledgeable, and friendly. They are very easy to work with and have been very informative."*

*-Ben Davenport, TimberTech*

*"S&B's techs are not only knowledgeable and friendly, but they look out for the customer's greater good. Stelter & Brinck's service technicians bend over backwards in order to help us out!"*

*-Larry McCammon, Keihin Indiana Precision Technology*
